

Cone Jackets

Food safety is critical to maintaining a loyal customer base...

Today's discriminating consumers are becoming increasingly aware and concerned about the safety of their food purchases. Attractive and hygienic, BoDeans cone jackets will maintain the integrity of your product and the safety of your customers, by keeping germs and bacteria away. Your customers will appreciate your safety efforts and will be more inclined for a repeat visit.

The hands off approach to fighting - the war against germs!

Your customers' safety is in your hands. Cone Jackets are your ultimate defense in the war on germs.

BoDeans provides a wide variety of sizes in cake, waffle and sugar cones, both with and without jackets.
