

DRAW THE CROWDS

WITH THE AROMA OF FRESH POPPED CORN

Young and old alike can't resist the temptation of hot, fresh popped corn. It's a favourite, tasty and healthy snack option. And what's more, the salty taste will do more for your bottom line, by increasing your beverage sales.

For perfect popcorn every time, you can rely on Harlan's all-in-one popcorn. There's no measuring required. It contains pre-measured popcorn, oil and seasoning salt in one convenient pouch. – Choose from traditional coconut oil or the healthier alternative, sunflower oil.
